Leading through Innovations and Technology

Clean India Show 2015 : Time Technoplast presented it's Command over Cleaning and Hygiene Solutions

16-17th April, 2015, Indore (M.P.), India

Clean India Show brings the big picture of potential for cleaning and hygiene solution manufacturers, providers and distributors.

The apt sharing of knowledge and showcasing the latest equipment, consumables & tools, and accessories, enabled all the municipal corporations, government bodies such as railways that has got it's largest network, heavy engineering, food/agro processing, pharma and other industries to reach the mission together.

Time's range of matting solutions, trash bins and HDP-E pipes are manufactured to match the International standards of cleaning and hygiene.

Dumpobins :

Time's Dumpobins are superior design and eco friendly trash bins. They are made of High density Polyethylene which makes them resistant to atmospheric conditions, hygienic and easy to clean.

Matting Solution :

The Lifestyle matting products which include Duroturf premium, DuroSoft and DuroWipe , have been winning the trust of millions across the nation. The idea of making the environment clean and aesthetic has encouraged Time to develop products with worldclass quality.

Duroturf premium's special polymer tufts, DuroSoft's random loop structure & soft cushioning, DuroWipe's high grade polymer & it's unique twin blade operation (to wipe out water), each have extensive scraping effect, and useful in various industries including corporates, public sector, and hospitality industry.

MAXM PE PIPES
Strength. Performance. Durability

Maxm PE Pipes :

Time's Maxm PE Pipes are capable of handling semi solid and gaseous effluents and has unmatched resistance to corrosive chemicals. They are lighter, easy to handle and install as compared to heavier metallic or concrete pipes.

With the quality of "100% leak proof " Maxm pipes fit in for Water disposal, Potable water services, Irrigation, Sewerage and drainage, Industrial applications and Off-shore pipeline installation.
