Duro Comfort mats are manufactured with the highest quality materials using the latest patented technology. The mats delivers spring and cushion support, absorbs shock and reduces fatigue and discomfort

WHY DURO COMFORT?

Standing for long periods on any flooring leads to discomfort, fatigue and stress. Duro Comfort mats, from the house of Time Technoplast Ltd., come to your rescue. Every time you stand, the proprietary cushion compresses, provides support and does not bottom out on repeated use. The energy is stored and is returned back, as you lift your feet.

PRODUCT FACTS:

- Duro Comfort mats come in numerous colours, designs and patterns and each of them is incredibly soft and cushioned for every use.
- The edges have unique tapering beveled edges to prevent tripping over. The surface is puncture-resistant, stain proof and has antiskid properties.
- Duro Comfort mats are easy to clean and require virtually zero maintenance.

APPLICATION AREAS:

Duro Comfort mats are an ideal choice for use in:
