Structure
Technology

Duro Mat Soft

Duro Mat soft mat is designed to capture dirt & dust to maintain hygiene. It is soft on feet and enhances the beauty and grace of the décor, that too at zero maintenance!

Made with the special polymer, these mats consist of a high dirt scrapping capacity which is enabled by the unique Random Loop Structure Technology. Duro Mat Soft smartly hides filth & muck beneath the loops. It also fights compression and springs back to life even under heavy foot traffic. These mats are also very easy to clean.

Random Loop Structure Technology

Strong polymer structure
for high durability

High crush resistant

Open web construction
for easy cleaning

Flexible coils for brushing
shoe soles

Backing to protect the floor

'Random Loop structure' helps in trapping dirt and dust. It provides convenient and easy maintenance by obscuring dirt and filth beneath the loops.

Benefits

Increases durability

Reduces load on housekeeping
and thus cuts maintenance cost

Ensures safety

Enhances appearance

odorless and maintains
hygiene

All Weather Friendly

Cushion support

Anti-Skidding and
Tripping elements

Fire resistant

Application

Houses
