Meets Comfort

# Welcome

## To The World Of Regal

Today's lifestyle dictates a perfect intermix of aesthetics and comfort. What you use not only speaks volumes about your individuality and creative thinking, but also elevates and enhances your lifestyle.

At Time Technoplast Ltd., we have understood this and have come up with Regal, a premium range of furniture that will add to your lifestyle. These products are a class apart when it comes to looks and a generation ahead when it comes to convenience. Due care is taken to ensure that every piece of furniture is functional, aesthetically pleasing and long lasting.

Over the years, Regal has become a preferred choice for premium furniture across the length and breadth of India. Through a comprehensive chain of distributors, we supply our quality products to homes, hotels, restaurants, clubs, airlines, auditoriums and tent houses, across India. All our products are ergonomically designed and adhere to international standards. As a frontrunner in this segment, we also have several firsts to our credit. Our latest innovations include India's first and only range of reclining & folding chairs, the revolving, adjustable stool and a lot more. To cater to the growing need of the furniture market, we have state-of-the-art manufacturing facilities in Daman, Hosur, Sahibabad and Aurangabad. Made from hi-strength HIPP-XR Polymer, our range of furniture includes monobloc, executive, folding & baby chairs, tables, trolleys, stools and shoe racks. Available in an array of innovative designs and premium shades, they are easy to maintain and elegant to the eye. So go ahead and enjoy the comfort of Regal furniture and elevate your lifestyle!
